

KJHA FM 2023 Terms and Disclosures

Terms and Disclosures

Over the Coffee Cup:

Free public service program for people to come and speak regarding announcements and events. Participants fill out an information sheet for the host and are generally interviewed in the order they return the sheet to the receptionist. We reserve the first interview for the North Pole mayor. Participants need to be at the KJNP studio in North Pole, we do not do interviews over the phone except for current government officials not running for election/re-election.
