

Dear Partners

April 2018

Pray Pray Pray

We are sending this special Trapline Newsletter due to the following situation here at KJNP in North Pole, Alaska.

KJNP has broadcast the Gospel for almost 51 years across the the State of Alaska and over the North Pole into other countries with our 50,000 watt transmitter. We have done this for God's Glory. Now however, it becomes necessary to make some major changes to our 425' AM tower. The tower must come down due to deteriorating metal in the structure.

This has necessitated dealing with our local government, as we are changing the lighting system. The Borough has decided to require us to follow some regulations which were not in place 51 years ago. This has meant a great deal of extra paper work and meetings with the Planning Commission for the Borough, plus extra expense to get the required permit. It is all very complicated and we'll spare you the details.

We are asking for your earnest prayer in behalf of this big problem with the Borough and also to pray for the finances to come in for our Tower Project. Right now we have already spent \$80,243.64 from donations we have received designated for the tower and \$197,728.63 from undesignated reserves.

This includes for extra equipment so we can stay on the air locally at a lower power. We will have to be on the lower power for most of the summer while the new tower is being put in place.

A contributor has paid for the actual tower and shipping cost, but there are other expenses involved, such as putting in a new grounding system, plus a lighting system and a lightning arrester, also hiring a crew to take down the existing tower and put up the new one and other necessary equipment. We estimate the total cost will be a great deal over the \$300,000.00 originally projected.

Otherwise, things have been going well and we are still telling people about Jesus and His Love for them. We hope to have a successful summer and can get everything taken care of that is needed.

Bibles for Others

Hello to all!

Bibles for Others continues to receive many letters requesting free Bibles – most recently from a ministry in Africa that we have sent Bibles to on a routine basis to support their work.

They have reported in their recent letter that they continue to reach out to their local

communities and that in the month of March 2018, fifty-six souls were saved and many have joined the church.

“For whosoever shall call upon the name of the Lord shall be saved.” Romans 10:13

They have also described the handing out of 205 Bibles provided freely for the Pastors and Missionaries in Bible School and they continue to distribute God’s word to Nigeria!

“The Word of God increased, the number of disciples multiplied and a great company obedient to the faith.” Acts 6:7

They have also stated the hardships in Nigeria and asked for prayer that they would be able to provide the children with food, clothes and shoes.

They have expressed their deep gratitude for the free Bibles that we send to them. A

letter like this is such a great reminder to us at Bibles for Others of the important work being accomplished around the world not only through this ministry, but the ongoing broadcasting of the Gospel from our parent organization – KJNP in Alaska.

Yours for Souls,

THE STAFF OF KJNP & BIBLES FOR OTHERS
